

# Bad To The Bone

George Thorogood

On the day I was born **G C G**  
The nurses all gathered 'round **G C G**  
And they gazed in wonder **G C G**  
At the joy they had found **G C G**  
The head nurse spoke up **G C G**  
And she said, "Leave this one alone" **G C G**  
She could tell right away **G C G**  
That I was bad to the bone **G C G**  
Bad to the bone **G C G**  
Bad to the bone **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad to the bone **G C G**

I broke a thousand hearts **G C G**  
Before I met you **G C G**  
I'll break a thousand more, baby **G C G**  
Before I am through **G C G**  
I wanna be yours pretty baby **G C G**  
Yours and your alone **G C G**  
I'm here to tell ya honey **G C G**  
That I'm bad to the bone **G C G**  
Bad to the bone **G C G**  
B-B-B-B-Bad **G C G**

B-B-B-B-Bad **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad to the bone **G C G**

I make a rich woman beg **G C G**  
I'll make a good woman steal **G C G**  
I'll make an old woman blush **G C G**  
And make a young woman squeal **G C G**  
I wanna be yours pretty baby **G C G**  
Yours and yours alone **G C G**  
I'm here to tell ya honey **G C G**  
That I'm bad to the bone **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad to the bone **G C G**

And when I walk the streets **G C G**  
Kings and Queens step aside **G C G**  
Every woman I meet **G C G**  
They all stay satisfied **G C G**  
I wanna tell ya pretty baby **G C G**  
Well ya see I make my own **G C G**  
I'm here to tell ya honey **G C G**  
That I'm bad to the bone **G C G**  
Bad to the bone **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad **G C G**  
B-B-B-B-Bad to the bone **G C G**
