

Both Sides Now

Judy Collins

Intro

$\frac{1}{2}$ G $\frac{1}{2}$ C $\frac{1}{2}$ G $\frac{1}{2}$ C x2

$\frac{1}{2}$ G Bows and $\frac{1}{2}$ Am flows of $\frac{1}{2}$ C angel $\frac{1}{2}$ G hair and ice cream $\frac{1}{2}$ Bm
castles $\frac{1}{2}$ C in the $\frac{1}{2}$ G air
And feather $\frac{1}{2}$ C canyons $\frac{1}{2}$ Am everywhere, $\frac{1}{2}$ C I've looked at cloud that $\frac{1}{2}$ D way
But $\frac{1}{2}$ G now they $\frac{1}{2}$ Am only $\frac{1}{2}$ C block the $\frac{1}{2}$ G sun, they rain and
 $\frac{1}{2}$ Bm snow on $\frac{1}{2}$ C every $\frac{1}{2}$ G one
So many $\frac{1}{2}$ C things I $\frac{1}{2}$ Am would have done, $\frac{1}{2}$ C but clouds got in my $\frac{1}{2}$ D way

I've $\frac{1}{2}$ G looked at $\frac{1}{2}$ Am clouds from $\frac{1}{2}$ C both sides $\frac{1}{2}$ G now,
From $\frac{1}{2}$ C up and $\frac{1}{2}$ G down, and $\frac{1}{2}$ C still some $\frac{1}{2}$ G how
It's $\frac{1}{2}$ Bm clouds ill $\frac{1}{2}$ C lusions $\frac{1}{2}$ G I recall
I $\frac{1}{2}$ C really don't know $\frac{1}{2}$ D clouds | at $\frac{1}{2}$ G all $\frac{1}{2}$ C $\frac{1}{2}$ G $\frac{1}{2}$ C
 $\frac{1}{2}$ G $\frac{1}{2}$ C $\frac{1}{2}$ G $\frac{1}{2}$ C

$\frac{1}{2}$ G Moons and $\frac{1}{2}$ Am Junes and $\frac{1}{2}$ C Ferris $\frac{1}{2}$ G wheels, the dizzy $\frac{1}{2}$ Bm
dancing $\frac{1}{2}$ C way you $\frac{1}{2}$ G feel
When every $\frac{1}{2}$ C fairy $\frac{1}{2}$ Am tale comes real, $\frac{1}{2}$ C I've looked at love that $\frac{1}{2}$ D way
But $\frac{1}{2}$ G now it's $\frac{1}{2}$ Am just a $\frac{1}{2}$ C nother $\frac{1}{2}$ G show, you leave 'em $\frac{1}{2}$ Bm
laughing $\frac{1}{2}$ C when you $\frac{1}{2}$ G go
And if you $\frac{1}{2}$ C care, don't $\frac{1}{2}$ Am let them know, $\frac{1}{2}$ C don't give yourself a $\frac{1}{2}$ D way

I've $\frac{1}{2}G$ looked at $\frac{1}{2}Am$ love from $\frac{1}{2}C$ both sides $\frac{1}{2}G$ now,
 From $\frac{1}{2}C$ win and $\frac{1}{2}G$ lose, and $\frac{1}{2}C$ still some $\frac{1}{2}G$ how
 It's $\frac{1}{2}Bm$ love's ill $\frac{1}{2}C$ lusions G I recall
 I C really don't know D love | at $\frac{1}{2}G$ all $\frac{1}{2}C$ $\frac{1}{2}G$ $\frac{1}{2}C$
 $\frac{1}{2}G$ $\frac{1}{2}C$ $\frac{1}{2}G$ $\frac{1}{2}C$

$\frac{1}{2}G$ Tears and $\frac{1}{2}Am$ fears and $\frac{1}{2}C$ feeling G proud to say "I $\frac{1}{2}Bm$
 love you" $\frac{1}{2}C$ right out G loud,
 Dreams and $\frac{1}{2}C$ schemes and Am circus crowds, C I've looked at life that D
 way
 But $\frac{1}{2}G$ now old $\frac{1}{2}Am$ friends are $\frac{1}{2}C$ acting G strange, they shake their
 $\frac{1}{2}Bm$ heads, they $\frac{1}{2}C$ say I've G changed
 But something's $\frac{1}{2}C$ lost but Am something's gained C in living every D day

I've $\frac{1}{2}G$ looked at $\frac{1}{2}Am$ life from $\frac{1}{2}C$ both sides $\frac{1}{2}G$ now,
 From $\frac{1}{2}C$ win and $\frac{1}{2}G$ lose, and $\frac{1}{2}C$ still some $\frac{1}{2}G$ how
 It's $\frac{1}{2}Bm$ life's ill $\frac{1}{2}C$ lusions G I recall
 I C really don't know D life | at $\frac{1}{2}G$ all $\frac{1}{2}C$ $\frac{1}{2}G$ $\frac{1}{2}C$
 $\frac{1}{2}G$ $\frac{1}{2}C$ $\frac{1}{2}G$ $\frac{1}{2}C$
 $\frac{1}{2}G$ $\frac{1}{2}C$ $\frac{1}{2}G$ $\frac{1}{2}C$
 $\frac{1}{2}G$ $\frac{1}{2}C$ $\frac{1}{2}G$ $\frac{1}{2}C$ $G\downarrow$
