C When I was six years F old I broke my leg Am G

C And tasted the F sweet perfume of the Am mountain grass as I G rolled down

C I was younger F then, Am take me back to G when, I

F Found my G heart and broke it C here

Made friends and F lost them through the years

| And I've not G seen the roarin' C fields in so long, F I know I've grown

| But I can't G↓ wait, to go home

C I'm on my F way, Am drivin' at G7sus4 ninety

Down C those country F lanes Am singin' to G7sus4 Tiny Dancer

And C I miss the F way you make Am me feel G7sus4 and it's real

When C we watched the F sunset Am over the G7sus4 castle on the hill
