

Crazy Love

Van Morrison

I can **G** hear her heart **Bm** beat, from a **C** thousand miles **G**
Yeah, the | heavens open, **Bm** every **C** time she smiles **G**
And | when I come to **Bm** her, that's **C** where I belong **G**
Yet I'm | runnin' **Bm** to her, like a **C** river's song **G**

She gives me love **G↓** love, **D↓** love, **Em↓** love, **D↓** love **C** crazy **D** love
She gives me love **G↓** love, **D↓** love, **Em↓** love, **D↓** love **C** crazy **G** love

G She's got a fine sense of **Bm** humor when I'm **C** feelin' low down **G**
And | when I come to **Bm** her when the **C** sun goes down **G**
She takes a | way my **Bm** trouble takes a **C** way my grief **G**
Take a | way my **Bm** heartache, in the **C** night like a thief **G**

She gives me love **G↓** love, **D↓** love, **Em↓** love, **D↓** love **C** crazy **D** love
She gives me love **G↓** love, **D↓** love, **Em↓** love, **D↓** love **C** crazy **G** love

D Yet I **C** need her in the **G** daytime, | **D** yet I **C** need her in the **G** night |
D And I want to **C** throw my arms a **G**round her, | **Am** kiss and hug her, **D** kiss
and hug her **G** tight **D↓**

G And when I'm re **Bm**turning from so **C** far away **G**
She | gives me some sweet **Bm** lovin, brightens **C** up my day **G**
Yet it | makes me **Bm** righteous, yes it **C** makes me whole **G**
Yet it | makes me **Bm** mellow down **C** into my soul **G**

She gives me love **G↓** love, **D↓** love, **Em↓** love, **D↓** love **C** crazy **D** love
She gives me love **G↓** love, **D↓** love, **Em↓** love, **D↓** love **C** crazy **G** love

She gives me love **G** love, **D** love, **Em** love, **D** love **C** crazy **D** love
She gives me love **G** love, **D** love, **Em** love, **D** love **C** crazy **G** love
