

Love Like The Movies

The Avett Brothers

Chorus

So you **G** want to be in **D7** love like the **G** movies |
But in the | movies they're **D7** not in love at **G** all |
And with a **Em** twinkle in their **D7** eyes
B7 They're just sayin' their **C** lines
So we **G** can't be in **D7** love like the **G** movies |

Now in the **B7:D-D-D-D-** movies they **C:D-D-D-D-** make it look so **G**
perfect |
And in the **B7:D-D-D-D-** background they're **C:D-D-D-D-** always playin'
the right **G** song |
And in the **B7:D-D-D-D-** endin' there's **C:D-D-D-D-** always a
reso**G**lution |
But **B7:D-D-D-D-** real life is **C:D-D-D-D-** more than just **G**↓ two **D7**↓
hours **C**↓ long **nc**

Repeat Chorus

Well, you can **B7:D-D-D-D-** freeze frame any **C:D-D-D-D-** moment from
a **G** movie |
Or run the **B7:D-D-D-D-** whole damn thing **C:D-D-D-D-** backwards
from reel to **G** reel |
But I **B7:D-D-D-D-** don't see one single **C:D-D-D-D-** solitary light
tech**G**nician |
Or **B7:D-D-D-D-** one single **C:D-D-D-D-** camera in this **G**↓
moon **D7**↓lit **C**↓ field **nc**

I don't **G** want to be in **D7** love like the **G** movies |
'Cause in the | movies they're **D7** not in love at **G** all |
With a **Em** twinkle in their **D7** eyes
B7 They're just sayin' their **C** lines
So we **G** can't be in **D7** love like the **G** movies |

With a **Em**↓ twinkle in their **D7**↓ eyes
B7↓ They're just sayin' their **C**↓ lines
And so we **G** can't be in **D7** love like the **G** movies |
So we **G**↓ can't **G**↓ be in **D7**↓ love **D7**↓ like the **G** movies **G**↓ **D7**↓ **G**↓
