

Singin' In The Rain

Gene Kelly

I'm **C** singin' in the **Dm7** rain,
Just **C** singin' in the **Dm7** rain
What a **C** glorious **Dm7** feelin',
I'm **Dm** happy a **G7** gain

I'm **Dm7** laughin' at **G7** clouds,
So **Dm7** dark up a **G7** bove
The **Dm7** sun's in my **G7** heart,
And I'm **C** ready for **G** love

Let the **C** stormy clouds **Dm7** chase,
Every **C** one from the **Dm7** place,
C↓ Come on with the **nc** rain,
I've a **Dm** smile on my **G7** face

I **Dm7** walk down the **G7** lane,
With a **Dm7** happy re **G7** frair
Just **Dm7** singin', **G7** singin' in the **C↓** rain
