## Uncle Kracker

**D Em G |**

**D** You're better than the **Em** best  
**G** I'm lucky just to | linger in your **D** light  
Cooler than the **Em** flip side of my **G** pillow, that's | right  
**D** Completely una**Em**ware  
**G** Nothing can com|pare to where you **A** send me  
Lets me **G** know that it's o**Em**kay, yeah | it's okay  
And the **A** moments where my **G** good times start to **Em** fade |

You make me **D** smile like the sun  
**A** Fall out of bed, **G** sing like a bird  
**Em** Dizzy in my head, **D** spin like a record  
**A** Crazy on a Sunday **G** night  
**Em** You make me **D** dance like a fool  
For **A** get how to breathe  
**Bm** Shine like gold, **G** buzz like a bee  
**D** Just the thought of **A** you can drive me **G** wild  
**Em** Ohh, you make me **D** smile
