

Snowbird

Anne Murray

1/2 G 1/2 Bm Am D 1/2 D7 G

Be **1/2 G**neath it's snowy **1/2 Bm** mantle cold and **Am** clean
The **D** unborn grass lies waiting for its **1/2 D7** coat to turn to **G** green
The **1/2 G** snowbird sings the **1/2 Bm** song he always **Am** sings
And **D** speaks to me of flowers that will **1/2 D7** bloom again in **G** spring

When **1/2 G** I was young my **1/2 Bm** heart was young then, **Am** too
And any **D** thing that it would tell me, that's the **1/2 D7** thing that I would **G** do
But **1/2 G** now I feel such **1/2 Bm** emptiness with **Am** in
For the **D** thing that I want most in life's the **1/2 D7** thing that I can't **G** win

Chorus

1/2 G Spread your tiny **1/2 Bm** wings and fly a **Am** way
And **D** take the snow back with you where it **1/2 D7** came from on that **G** day
The **1/2 G** one I love for **1/2 Bm** ever is un**Am** true
And **D** if I could you know that I would **1/2 D7** fly away with **G** you

The **1/2 G** breeze along the **1/2 Bm** river seems to **Am** say
That he'll **D** only break my heart again should **1/2 D7** I decide to **G** stay
So, little **1/2 G** snowbird, take me **1/2 Bm** with you when you **Am** go
To that **D** land of gentle breezes where the **1/2 D7** peaceful waters **G** flow

Repeat Chorus

Yeah, **D** if I could I know that I would **1/2 C** fly-y-**Am**y away with **G** you **1/2 G**
