

# Two Out Of Three Ain't Bad

## Meat Loaf

## Intro

G Baby, we can talk all D night  
C But that ain't gettin' us G nowhere  
1/2G I told you 1/2D everything I Em possibly can  
C There's nothing left in D side of here

And G maybe you can cry all D night  
But C that'll never change the G way that I feel  
1/2G The snow is 1/2D really pilin' Em up outside  
I C wish you wouldn't make me D leave here

C I poured it on and I G poured it out  
C I tried to show you just how G much I care  
C I'm tired of words and I'm too 1/2G hoarse to 1/2Em shout  
F But you've been cold to | me so long  
I'm cryin' C icicles instead of D tears  
And 1/2C all I can 1/2D do, is 1/2C keep on 1/2D tellin' you  
I G want you, (I want you) I Em need you (I need you)  
But there 1/2C ain't no 1/2D way I'm 1/2Bm ever gonna 1/2Em love you  
Now C don't be sad, (C↓ don't Em↓ be 1/2Am sad 'cause)  
Cause 1/2C two out of 1/2D three ain't G bad  
Now C don't be Am sad  
Cause 1/2C two out of 1/2D three ain't G bad |

You'll **C** never find your gold on a **G** sandy beach  
You'll **C** never drill for oil on a **G** city street  
I know you're **C** lookin' for a ruby in a **G** mountain of rocks  
But there **F** ain't no Coup de Ville | hidin' at the bottom of a **1/2C** Cracker Jack  
**D↓** box

**Bm** I can not lie, | I cannot tell you that I'm **C** something I'm not, no | matter  
how I try  
I'll **Bm** never be able, | to give you somethin', **C** somethin' that I just haven't  
**D** got

Well, there's **G** only one girl that I will **D** ever love  
And that was **C** so many years a **G** go  
And **1/2G** though I know I'll **1/2D** never get her **Em** out of my heart  
She never **C** loved me back, **D** ooh, I know

Well, I **G** remember how she left me on a **D** stormy night  
Ah, she **C** kissed me and got out of our **G** bed  
And though I **1/2G** pleaded and I **1/2D** begged her not to **Em** walk out that  
door  
She **C** packed her bags and turned right a **D** way

And she **1/2C** kept on **1/2D** tellin' me, she **1/2C** kept on **1/2D** tellin' me,  
She **C↓** kept on **D↓** tellin' me,  
I **G** want you, (*I want you*) I **Em** need you (*I need you*)  
But there **1/2C** ain't no **1/2D** way I'm **1/2Bm** ever gonna **1/2Em** love you  
Now **C** don't be sad, (**C↓** don't **Em↓** be **1/2Am** sad 'cause)  
Cause **1/2C** two out of **1/2D** three ain't **G** bad

I **G** want you, (*I want you*) I **Em** need you (*I need you*)  
But there **1/2C** ain't no **1/2D** way I'm **1/2Bm** ever gonna **1/2Em** love you  
Now **C** don't be sad, (**C↓** don't **Em↓** be **1/2Am** sad 'cause)

Cause  $\frac{1}{2}\mathbf{C}$  two out of  $\frac{1}{2}\mathbf{D}$  three ain't  $\mathbf{G}$  bad

Now  $\mathbf{C}$  don't be | sad, 'cause  $\frac{1}{2}\mathbf{C}$  two out of  $\frac{1}{2}\mathbf{D}$  three ain't  $\mathbf{G}\downarrow$  bad
