Gordon Lightfoot

**Amaj7 Am7 Amaj7 Am7**

**Amaj7** At times I just don't know **Am7** how you could be anything but beautiful **D**

Think that I was **Dm** made for you, and you were made for **Amaj7** me

**Am7** And I know that I won't **D** ever change

We've been friends **Dm** through rain or shine for such a long, **Amaj7** long time **F**

**Amaj7** Laughing eyes, a smiling face **Am7** it seems so lucky just to have **D** the right

Telling you with **Dm** all my might, you're beautiful **Amaj7** tonight

**Am7** And I know that you won't **D** ever stray

'Cause you been that way **Dm** from day to day for such a long, **Amaj7** long time **F**

**Amaj7** And when you hold me tight, **Am7** how could life be anything but beautiful **D**

Think that I was **Dm** made for you, and you were made for **Amaj7** me

**Am7** And I know that I won't **D** ever change

We've been friends **Dm** through rain or shine for such a long, **Amaj7** long time **Am7**

**D** And I must say it means so much to **Amaj7** me to be

**D** The one **E7sus4** who's telling you, I'm **E7** telling you that you're **Amaj7** beautiful
