

Breakdown

The Alan Parsons Project

Chorus

I break **A** down in the middle and **G** lose my thread
F No one can understand a word that I **A** say
When I break | down just a little and **G** lose my head
F Nothing I try to do can work the same **A** way

Dm Any time it happened, I'd get over it
C With a little help from all my **A** friends |
Dm Anybody else could see what's wrong with me
C But they walk away and just pre**A**tend |
When I break **G** down | | |

A **G** **F** **A** x2

Repeat Chorus

Dm Where are all the friends who used to talk to me?
C All they ever told me was good **A** news |
Dm People that I've never seen are kind to me
C Is it any wonder I'm con**A**fused? |
When I break **G** down, when I break | down | | | |

Am Freedom, freedom, | we will not obey

G Freedom, freedom, **Am** take the wall away

Am Freedom, freedom, | we will not obey

G Freedom, freedom, **Am** take the wall away

Am Freedom, freedom, | we will not obey

G Freedom, freedom, **Am** take the wall away

Am Freedom, freedom, | we will not obey

G Freedom, freedom, **Am**↓ take the wall away
