

Hold On Forever

Rob Thomas

C |

C Another night and here we **G** are again

All our **F** faults laid out a **G** head

C Let it out, then let it right back **G** in

All those **F** voices in your **G** head

And we **1/2 F** both know **1/2 G** everything, but **1/2 C** we can't learn to **F** leave

So I'll **G↓** tell you what you need

Chorus

C First thing we make you feel better

G Next stop we pull it all together

Dm I'll keep you warm like a sweater

F Take my hand, hold on forever

C Just fall apart if you need to

G I'm here and I won't leave you **Dm** now-ow

Don't look **F:duXuduXud-** down, hold on fore**nc**ver

C |

C Lay down all your troubles **G** end to end

They could **F** reach up to the **G** stars

C So many roads, you don't know **G** where you've been

But you **F** still know who you **G** are

And if I **1/2 F** seem pre **1/2 G** occupied, I'm **1/2 C** wondering what to **F** do

So here's my **G↓** recipe for you

Repeat Chorus

C |

And we **F↓** both know **G↓** everything, but **C↓** we can't learn to **F↓** leave
So I'll **G↓** tell you what you need

Repeat Chorus

C |

Just **F** take my hand, hold on forever

C Hold on forever

Just **1/2 F** take my hand, **F↓** hold on forever
