Red Solo Cup
Toby Keith

A   Am   Bm7   D7   E7   G   Z

**Z Z**

Now, **G** a red solo cup is the | best receptacle

For | barbecues, tailgates, | fairs, and festivals

And **Am** you sir do not have a | pair of testicles

If **D7** you prefer drinking from **G↓** glass

A **G** red solos cup is | cheap and disposable

And | in fourteen years they | are decomposable

And **Am** unlike my home they are | not fore-closable

D7 Freddie Mac can kiss my **G↓** ass

Chorus
G Red solo | cup, | I fill you | up

Let's have a **Am** party, | let's have a **D7** party |

I love you **G** red solo | cup, | I lift you | up

Proceed to **Am** party, | proceed to **D7** party |

Now, **G** I really love how you're | easy to stack

But | I really hate how you're | easy to crack

'Cause **Am** when beer runs down the | front of my back

Well, **D7** that my friends is quite **G↓** yucky

But, **G** I have to admit │ that the ladies get smitten

│ Admiring how sharply my │ first name is written

On **Am** you with a sharpie │ when I get to hittin'

On **D7** them to help me get **G**↓ lucky

Repeat Chorus

Now, I've **G** seen you in blue and │ I've seen you in yellow

But │ only you red will │ do for this fellow

'Cause **Am** you are the Abbott to │ my Costello

And **D7** you are the fruit to my **G**↓ loom

G Red solo cup you're │ more than just plastic

You're │ more than amazing you're │ more than fantastic

And **Am** believe me that I'm not the │ least bit sarcastic

When **D7** I look at you and **G**↓ say

Talking
Red solo cup, you're not just a cup (*No, no, God no*↓)
You're my, you're my friend (*Friend, friend, friend, life long*)
Thank you for being my friend
