

# Rude

## Magic!

**F** Saturday **G** morning, jumped out of **Am** bed, and | put on my best suit  
**F** Got in my **G** car and raced like a **Am** jet, | all the way to you  
**F** Knocked on your **G** door with heart in my **C** hand, to **Am** ask you a question  
**F** 'Cause I know that **G** you're an old fashioned **C** man, **Am** yeah

**F** Can I have your daughter for the **G** rest of my life?  
Say **C** "yes", say "yes", cause I **Am** need to know  
You say I'll **F** never get your blessing 'til the **G** day I die  
Tough **C** luck my friend but the **Am** answer is "no"

## Chorus

**F** Why you gotta **G** be so rude? **C** Don't you know **Am** I'm human, too?  
**F** Why you gotta **G** be so rude? **C** I'm gonna **Am** marry her anyway  
**F** (Marry that girl) **G** Marry her anyway  
**C** (Marry that girl) **Am** No matter what you say  
**F** (Marry that girl) And **G** we'll be a family  
**C** Why you gotta **Am** be so... **F** rude? | **C** |

**F** I hate to **G** do this, you leave no **C** choice, can't **Am** live without her  
**F** Love me or **G** hate me we will be **C** both, **Am** standing at that alter  
**F** Or we will **G** runaway, **C** to another **Am** galaxy, you know  
**F** You know she's in **G** love with me, **C** she will go **Am** anywhere I go

**F** Can I have your daughter for the **G** rest of my life?  
Say **C** "yes", say "yes", cause I **Am** need to know  
You say I'll **F** never get your blessing 'til the **G** day I die
