Well, I **F** never felt more like **Bb** singin' the blues
'Cause **F** I never thought that **C** I'd ever lose
Your **Bb** love dear, **C7** why'd you do me this **F** way |

Well, I **F** never felt more like **Bb** cryin' all night
'Cause **F** everythings wrong and **C** nothin' ain't right
With **Bb** out you, **C7** you got me singin' the **F** blues |

The **Bb** moon and stars no **F** longer shine
The **Bb** dream is gone I **F** thought was mine
There's **Bb** nothin' left for **F** me to do
But **F** cry-i-i-i, over **C7** you |

Well, I **F** never felt more like **Bb** runnin' away
But **F** why should I go cause **C** I couldn't stay
With **Bb** out you, **C7** you got me singin' the **F** blues |
