

Song For A Winter's Night

Gordon Lightfoot

F C D G F C D G

G The lamp is D burning low up Em on my table C top
G The snow is D softly G falling D
G The air is D still within the Em silence of my C room
G I hear your D voice softly G calling |

If G I could D only C have you D near
Bm7 To breathe a Em sigh or C two D
G I would be D happy just to Em hold the hands I C love
G On this D winter's night with G you |

D G F C D G

G The smoke is D rising in the Em shadows over C head
G My glass is D almost G empty D
G I read a D gain between the Em lines upon each C page
G The words of D love you G send me |

If G I could D know with C in my D heart
Bm7 That you were Em lonely, C too D
G I would be D happy just to Em hold the hands I C love
G On this D winter's night with G you |

D G F C D G

G The fire is D dying now my Em lamp is growing C dim
G The shades of D night are G lifting D
G The morning D light steals a Em cross my window C pane
G Where webs of D snow are G drifting |

If G I could D only C have you D near
Bm7 To breathe a Em sigh or C two D
G I would be D happy just to Em hold the hands I C love
G On this D winter's night with Bm7 you Em
G And to be D once again with G you |
