

# Thinking Out Loud

Ed Sheeran

**C** When your legs don't work like they **1/2F** used to before **1/2G**  
**C** And I can't sweep you off of your **1/2F** feet **1/2G**  
**C** Will your mouth still remember the **1/2F** taste of my love **1/2G**  
**C** Will your eyes still smile **1/2F** from your cheeks **1/2G**

And darling **C** I will be **1/2F** lovin' **1/2G** you 'til we're seven **C**ty **1/2F** **1/2G**  
And baby, **C** my heart could still fall **1/2F** as **1/2G** hard at twenty-**C**three  
**1/2F** And I'm thinking **1/2G** 'bout how

**Dm** People fall in love in my **1/2G**sterious **1/2C** ways  
**Dm** Maybe just the touch of a **G** hand  
Well, **Dm** me I fall in love with you e **1/2G**very single **1/2C** day  
And **Dm** I just wanna tell you I **G:ddddD** am

So honey **C** now  
**1/2F** Take me **1/2G** into your loving **C** arms  
**1/2F** Kiss me **1/2G** under the light of a **C** thousand stars  
**1/2F** Place your **1/2G** head on my beating **C** heart  
I'm **1/2F** thinking out **1/2G** loud  
Maybe **Am↓** we **G↓** found **F↓** love **C↓** right **Dm↓** where **G↓** we **C↓** are

**C** When my hair's all but gone and my **1/2F** memory **1/2G** fades  
**C** And the crowds don't remember my **1/2F** name **1/2G**  
**C** When my hands don't play the **1/2F** strings the same **1/2G** way  
**C** I know you will still love me the **1/2F** same **1/2G**

'Cause honey **C** your soul could never **1/2F** grow **1/2G** old  
It's ever **C**green **1/2F** **1/2G**  
And baby, **C** your smile's forever **1/2F** in my **1/2G** mind and me **C**mory  
I'm **1/2F** thinking 'bout **1/2G** how

**Dm** People fall in love in my **1/2G**sterious **1/2C** ways  
**Dm** Maybe it's all part of a **G** plan  
Well, **Dm** I'll just keep on making the **1/2G** same mis **1/2C**takes  
**Dm** Hoping that you'll under **G:ddddD**stand

But baby, **C** now  
**1/2F** Take me **1/2G** into your loving **C** arms  
**1/2F** Kiss me **1/2G** under the light of a **C** thousand stars  
**1/2F** Place your **1/2G** head on my beating **C** heart  
I'm **1/2F** thinking out **1/2G** loud  
Maybe **Am↓** we **G↓** found **F↓** love **C↓** right **Dm↓** where **G↓** we **C↓** are

**C** **1/2F** **1/2G** x4

So baby, **C** now  
**1/2F** Take me **1/2G** into your loving **C** arms  
**1/2F** Kiss me **1/2G** under the light of a **C** thousand stars, oh darlin'  
**1/2F** Place your **1/2G** head on my beating **C** heart  
I'm **1/2F** thinking out **1/2G** loud

Maybe **Am↓** we **G↓** found **F↓** love **C↓** right **Dm↓** where **G↓** we **C↓** are  
And baby, **Am↓** we **G↓** found **F↓** love **C↓** right **Dm↓** where **G↓** we **C↓** are  
And **Am↓** we **G↓** found **F↓** love **C↓** right **Dm↓** where **G↓** we **C↓** are
