D↓ **Dsus4↓** **D↓↓** **D↓**

D We, can **G** never know about the **D** days to come |

| But, we **G** think about them any **Em** way, **A** yeah

And I **D** wonder **G** if I'm really **D** with you now |

Or just **G↓** chasin' **Em↓** after some **1/2A** finer **D↓** day **D↓** **Dsus4↓** **D↓↓**

D↓

G Antici | pation, **D** antici | pation

Is **G↓** makin' me **A↓** late **nc**

Is **G↓** keepin' me **A↓** wa-a-a-aitin'

And I **D** tell you how **G** easy it feels to **D** be with you |

And | how right your **G** arms feel around **A** me |

But **D** I, I re**G**hearsed those words just **D** late last night |

When I was **G↓** thinkin' about how **Em↓** right to **1/2A** night might **D↓** be **D↓**

Dsus4↓ **D↓↓** **D↓**

G Antici | pation, **D** antici | pation

Is **G↓** makin' me **A↓** late **nc**

Is **G↓** keepin' me **A↓** wa-a-a-aitin'

And to **D** tomorrow we **G** might not be to **D** gether |
I'm no | prophet, Lord I **G** don't know nature's **Em** ways **A**
So I'll **D** try, and **G** see into your **D** eyes right now |
And **G↓** stay right **Em↓** here 'cause **A** these are the good old **D** days

These are the **G** good old days
And **G↓** stay right **Em↓** here 'cause **A** these are the good old **D** days

These are the **G** good old days
D These are the **G** good old days
D These are the **G** good old days
1/2D These **G↓** a-a-a-are, the good old **D↓** days
