

Candle In The Wind

Elton John

A G D A

D Goodbye Norma Jean |
No I never G knew you at all
| You had the grace to D hold yourself
While | those around you G crawled |
They crawled out of the D woodwork |
And they whispered G into your brain
| They set you on the D treadmill
And they | made you change your name G |

Chorus

And it A seems to me you A7 lived your life
Like a D candle in the wind
G Never D knowing who to | cling to
When the A rain set in |
And I G would have liked to | know you
But I was Bm just a kid |
Your candle burned out A long before
Your G legend ever did | D

D A G D A

D Loneliness was tough |
The toughest role G you ever played |
Hollywood created a D superstar
And | pain was the price you G paid |
Even when you D died |
All the G press still hounded you |
All the papers D had to say
Was that | Marilyn was found G in the nude |

Repeat Chorus

D A G D A

D Goodbye Norma Jean |
No I never G knew you at all
| You had the grace to D hold yourself
While | those around you G crawled |
D Goodbye Norma Jean |
From the young man in the G 22nd row |
Who sees you as something D more than sexual
More than | just our Marilyn G Monroe |

Repeat Chorus

D Your candle burned out A long before
Your G legend ever did D D
