G

G I wanna go | home, | I wanna go **C** home |

G Oh, how I **D7** wanna go **G** home |

Last **G** night I went to **D7** sleep in Detroit **G** City |

And, I **D7** dreamed about those | cotton fields and **G** home **G7**

I **C** dreamed about my | mother, dear old **G** papa, sister and | brother,

I **A** dreamed about the **A7** girl who's been **D** waitin' for so **D7** ↓ long

I wanna go **G** home, | I wanna go **C** home |

G Oh, how I **D7** wanna go **Riff** home

G |

G Home folks think I'm **D7** big in Detroit **G** City |

From the **D7** letters that I | write, they think I'm **G** fine **G7**

By **C** day I make the | cars, by **G** night I make the | bars

If **A** only they could only **A7** read between the **D7** lines |

Talking

G 'Cause you know, | I rode a **D7** freight train north to Detroit **G** City,
And **D7** after all these years, | I find I've just been **G** wastin' my time **G7**
So **C** I just think I'll take my foolish | pride and put it **G** on a south bound
freight and | ride
And **A** go on back to the loved ones, **A7** the ones I left waitin' **D** so far behind
