F#m ↑

If I **F#m** gave you my de**A**vation
Like I **E7** should have when you were **D** mine
Would you **F#m** take it, would you **A** hold it?
Would you **E7** say I didn't make it on **D** time?

If I **F#m** gave you my de**A**vation
Would you **E7** lay here with me to **D** night?
I can **F#m** show you all the **A** reasons
Why you **E7** should be waking up by my **D** side
Why you **nc** should be waking up by my **nc** side
