Do you believe in **C** magic in a **F** young girl's heart?

How the **C** music can free her, when **F**ever it starts

And it's **C** magic, if the **F** music is groovy

It **C** makes you feel happy like an **F** old-time movie

I'll **1/2Dm** tell you about the **1/2Em** magic, and it'll **1/2F** free your **1/2Em** soul

But it's like **G:D-D-D-D-** trying to tell a stranger 'bout, **G** rock and roll

G If you believe in **C** magic don't **F** bother to choose

If it's **C** jug band music or **F** rhythm and blues

Just **C** go and listen it'll **F** start with a smile

It won't **C** wipe off your face no matter **F** how hard you try

Your **1/2Dm** feet start **1/2Em** tapping and you **1/2F** can't seem to **1/2Em** find

How you **G:D-D-D-D-** got there, so just **G** blow your mind

If you believe in **C** magic, come a **F** long with me

We'll **C** dance until morning 'til there's **F** just you and me

And **C** maybe, if the **F** music is right

I'll **C** meet you tomorrow, sort of **F** late at night

And **1/2Dm** we'll go **1/2Em** dancing baby, **1/2F** then you'll **1/2Em** see

How the **G:D-D-D-D-** magic's in the music and the **G** music's in me

F Yeah, | do you believe in **C** magic? |
