

# Enjoy The Silence

## Depeche Mode

### Intro

**Bm7** **D** x6

**Bm7** Words like violence **Dm** break the silence

**G** Come crashing in, | into my little world

**Bm7** Painful to me, **Dm** pierce right through me

**G** Can't you understand, | oh, my little girl

### Chorus

**Em** All I ever wanted, **G** all I ever needed

Is **Bm7** here in **D** my arms

**Em** Words are very **G** unnecessary

**Bm7** They can only **Bb** do harm |

**Bm7** **D** x5

**Bm7** Vows are spoken **Dm** to be broken

**G** Feelings are intense, | words are trivial

**Bm7** Pleasures remain, **Dm** so does the pain

**G** Words are meaningless | and forgettable
