

# Feels Like The First Time

## Foreigner

**G F C G** x3

**G** I would climb any **F** mountain  
**C** Sail across a **G** stormy sea  
| If that's what it **F** takes me baby  
To **C** show you how much you **G** mean to me  
**Asus4** And I guess it's just the **A** woman in you  
That **Asus4** brings out the man in **A** me  
**Asus2** I know I can't **B** help myself  
**Asus2** You're all in the world to **B** me

### Chorus

**G** It feels like the **F** first time  
**C** Feels like the **G** very first time
