D Gsus2 D Gsus2

D There's something happening **Gsus2** here, but what it **D** is ain't exactly **Gsus2** clear

There's a **D** man with a gun over **Gsus2** there telling **D** me I've got to be **Gsus2** ware

I think it's time we **D↓** stop, children; **C↓** what's that sound?

Gsus2↓ Ev'rybody look what's going down **D Gsus2 D Gsus2**

There's a **D** battle line being **Gsus2** drawn. Nobody's **D** right if everybody's **Gsus2** wrong

D Young people speaking their **Gsus2** minds, a-gettin' **D** so much resistance **Gsus2** from behind

I think it's time we **D↓** stop, hey; **C↓** what's that sound?

Gsus2↓ Ev'rybody look what's going down **D Gsus2 D Gsus2**

D What a field day for the **Gsus2** heat. A **D** thousand people in the **Gsus2** street,

Singin' **D** songs and a-carryin' **Gsus2** signs, mostly **D** say, "Hooray for our **Gsus2** side"

It's time we **D↓** stop, hey; **C↓** what's that sound?

Gsus2↓ Ev'rybody look what's going down **D Gsus2 D Gsus2**

D Paranoia strikes **Gsus2** deep, **D** into your life it will **Gsus2** creep
It **D** starts when you're always a **Gsus2** afraid. You step out of **D** line, the man
come and **Gsus2** take you away

We better **D↓** stop, hey; **C↓** what's that sound?

Gsus2↓ Ev'rybody look what's going down

We better **D↓** stop, hey; **C↓** what's that sound?

Gsus2↓ Ev'rybody look what's going down

We better **D↓** stop, hey; **C↓** what's that sound?

Gsus2↓ Ev'rybody look what's going down **D↓**
