

# Missing You

John Waite

**F** | **C7sus4** **Csus4** x2

**F** Every time I think of you, | I **C7sus4** always catch my breath **Csus4**  
And I'm still **F** standin' here, and you're | miles away  
And I'm **C7sus4** wonderin' why you left **Csus4**  
And there's a **Dm7** storm that's ragin' | through my **C7sus4** frozen heart  
tonight **Csus4**

I hear your **F** name in certain | circles, and it **C7sus4** always makes me smile  
**Csus4**

I spend my **F** time thinkin' a | bout you, and it's **C7sus4** almost drivin' me  
**Csus4** wild

And there's a **Dm7** heart that's breaking | down this **C7sus4** long distance line  
tonight **Csus4**

I ain't missin' you at **F** all | since you've been **C7sus4** gone a **Csus4** way  
I ain't missin' you, **F** | no matter **C7sus4** what I might **Csus4** say

There's a **F** message in the | wire, and I'm sending **C7sus4** you this signal  
tonight **Csus4**

You don't **F** know how desperate | I've become and it **C7sus4** looks like I'm  
losin' this **Csus4** fight

In your **F** world I have no | meaning, though I'm **C7sus4** trying hard to  
under **Csus4**stand

**Dm7** And it's my heart | that's breakin' **C7sus4** down this long distance line  
to **Csus4**night

I ain't missin' you at **F** all | since you've been **C7sus4** gone a **Csus4** way  
I ain't missin' you, **F** | no matter **C7sus4** what my friend's **Csus4** say

**Dm7** And there's a message | that I'm sendin' out, **C7sus4** like a telegraph to  
your **Csus4** soul

**Dm7** And if I can't bridge this | distance, stop this **C7sus4** heartbreak  
over **Csus4**load

I ain't missin' you at **F** all | since you've been **C7sus4** gone a **Csus4** way  
I ain't missin' you, **F** | no matter **C7sus4** what my friend's **Csus4** say

I ain't missing **F** you, | I ain't missing you, **C7sus4** I can **Csus4** lie to myself

**Dm7** And there's a storm that's | ragin' through my **C7sus4** frozen heart  
to **Csus4**night

I ain't missing you at **F** all | since you've been **C7sus4** gone a **Csus4** way  
I ain't missing you, **F** | no matter **C7sus4** what my friend's **Csus4** say
