

# Please Release Me

Engelbert Humperdinck

**F** **C** **F** **C7** ↓

**F** Please re**F7**lease me, let me **Bb** go |  
For **C** I, don't **C7** love you any **F** more **C**  
To **F** waste our **F7** lives would be a **Bb** sin |  
Re**F**lease me, and **C** let me love a **F**gain **C7**

**F** I have **F7** found a new love, **Bb** dear |  
And **C** I will **C7** always want her **F** near **C**  
Her **F** lips are **F7** warm while yours are **Bb** cold |  
Re**F**lease me, my **C** darling, let me **F** go **C7**

(**F** Please re**F7**lease me, let me **Bb** go | )  
For **C** I, don't **C7** love you any **F** more **C**  
(To **F** waste our **F7** lives would be a **Bb** sin | )  
So re**F**lease me, and **C** let me love a **F**gain **G**

**C** Please re**C7**lease me can't you **F** see |  
You'd **G** be a **G7** fool to cling to **C** me **G**  
To **C** live a **C7** lie would bring us **F** pain |  
So re**C**lease me and **G** let me love a **C**gain **F** **C** ↓
