

This Land Is Your Land

Woody Guthrie

Chorus

This land is **C** your land, this land is **G** my land
From Bona **D7** vista, to Vancouver **G** Island
From the Arctic **C** Circle, to the Great Lake **G** waters
D7 This land was made for you and **G** me

As I went **C** walking, that ribbon of **G** highway
I saw a **D7** bove me, that endless **G** skyway
I saw be **C** low me, that golden **G** valley
D7 This land was made for you and **G** me

Repeat Chorus

I've roamed and **C** rambled, and I've followed my **G** footsteps
To fir-clad **D7** forests, of our mighty **G** mountains
And all a **C** round me, a voice was **G** sounding
D7 This land was made for you and **G** me

Repeat Chorus

When the sun came **C** shining, and I was **G** strolling
And the wheat fields **D7** waving, and the dust clouds **G** rolling
As the fog was **C** lifting, a voice was **G** chanting, singing
D7 This land was made for you and **G** me

This land is **C** your land, this land is **G** my land
From Bona **D7** vista, to Vancouver **G** Island
From the Arctic **C** Circle, to the Great Lake **G** waters
D7 This land was made for you and **1/2G** me **G↓** **D7↓** **G↓**
