

# Walking The Floor Over You

Ernest Tubb

$\frac{1}{2}G$   $\frac{1}{2}C$   $\frac{1}{2}G$   $\frac{1}{2}C$

## Chorus

I'm  $C$  walkin' the floor over  $F$  you

I  $G$  can't sleep a wink that is  $C$  true

I'm | hopin' and I'm prayin' as my  $F$  heart breaks right in two

$G$  Walkin' the floor over  $C$  you

You  $C$  left me and you went a  $F$  way

You  $G$  said that you'd be back in just a  $C$  day

You've | broken your promise and you've  $F$  left me here alone

I  $G$  don't know why you did dear but I  $\frac{1}{2}G$  do know that you're  $C$  gone

## Repeat Chorus

$C$   $F$   $G$   $C$   
 $C$   $F$   $G$   $\frac{1}{2}G$   $C$

Now  $C$  someday you may be lonesome,  $F$  too

$G$  Walkin' the floor is good for  $C$  you

| Just keep right on walkin' and it  $F$  won't hurt you to cry

Re  $G$  member that I love you and I  $\frac{1}{2}G$  will the day I  $C$  die

I'm **C** walkin' the floor over **F** you  
I **G** can't sleep a wink that is **C** true  
I'm | hopin' and I'm prayin' as my **F** heart breaks right in two  
**G** Walkin' the floor over **1/2C** you **C↓**
