A Spaceman Came Travelling

Chris de Burgh

A **Dm↓** spaceman came **F↓** travelling on his **C↓** ship from a **Dm↓** far
'twas **F↓** light years of **C↓** time since his **B♭↓** mission did **B♭↓** start
And **Dm↓** over a **Am↓** village he **B♭↓** halted his **Dm↓** craft
And it **F↓** hung in the **C↓** sky like a **B♭↓** star, **B♭↓** **B♭↓** just **B♭↓** like a **Dm↓** star
Dm↓ **Dm↓** **Dm↓**

He **Dm↓** followed a **F↓** light and came **C↓** down to a **Dm↓** shed
Where a **F↓** mother and **C↓** child were lying **B♭↓** there on a **B♭↓** bed
A **Dm↓** bright light of **Am↓** silver **B♭↓** shone round his **Dm↓** head
And he **F↓** had the **C↓** face of an **B♭↓** angel, **B♭↓** **B♭↓** and **B♭↓** they were
a**Dm↓**fraid **Dm↓** **Dm↓** **Dm↓**

Then the **Dm↓** stranger **F↓** spoke, he **C↓** said "Do not **Dm↓** fear,
I **F↓** come from a **C↓** planet a **B♭↓** long way from **B♭↓** here,
And **Dm↓** I bring a **Am↓** message for **B♭↓** mankind to **Dm↓** hear"
And **F↓** suddenly the **C↓** sweetest **B♭↓** music, **B♭↓** **B♭↓** **B♭↓** filled the **Dm↓** air
Dm↓ **Dm↓** **Dm↓**

And it went **Dm** la, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
F La, la, la, **C** la, la, la, **B♭** la, |
Dm La, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
F Peace and good**C**will to all of **B♭** men, | | and | love for the **Dm** child | | |

Dm La, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
F La, la, la, **C** la, la, la, **B♭** la, |
Dm La, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
F Oh, **C** oh, **B♭** oh | | **B♭↓** **nc** **nc** **nc** **nc**

This **Dm↓** lovely **F↓** music went **C↓** trembling through the **Dm↓** ground
And **F↓** many were **C↓** wakened on **B♭↓** hearing that **B♭↓** sound
And **Dm↓** travellers on the **Am↓** road, the **B♭↓** village they **Dm↓** found
By the **F↓** light of that **C↓** ship in the **B♭↓** sky, **B♭↓** **B♭↓** which **B♭↓** shone all
a**Dm↓**round **Dm↓** **Dm↓** **Dm↓**

And **Dm↓** just before **F↓** dawn at the **C↓** paling of the **Dm↓** sky
The **F↓** stranger re**C↓**turned and said **B♭↓** "Now I must **B♭↓** fly
When **Dm↓** two thousand **Am↓** years of your **B♭↓** time has gone **Dm↓** by
This **F↓** song will be**C↓**gin once a**B♭↓**gain, **B♭↓** **B♭↓** to a **B♭↓** babys **Dm↓** cry"
Dm↓ **Dm↓** **Dm↓**

And it went **Dm** la, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
F La, la, la, **C** la, la, la, **B♭** la, |
Dm La, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
F Peace and good**C**will to all of **B♭** men, | | and | love for the **Dm** child | | |

And I hear **Dm** la, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
F La, la, la, **C** la, la, la, **B♭** la, |
Dm La, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
This **F** song will be**C**gin once a**B♭**gain, | | to a | babys **Dm** cry | | |

And it went **Dm** la, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
F La, la, la, **C** la, la, la, **B♭** la, |
Dm La, la, la, **Am** la, la, la, **B♭** la, la, la, **Dm** la,
This **F** song will be**C**gin once a**B♭**gain, | | to a | babys **Dm↓** cry
