

Big Ole Brew

Mel McDaniel

D **G** **Bm** **A** _{x2}

1/2A Well, I **D** work a double shift at the plant and I work on the **G** outside
And **D** I'd a lot rather be home makin' love to my **A** new bride
And there's **1/2G** only 2 things I **1/2D** want when I'm back in my **Bm** double wide
And that's a big ole **G** brew and little ole **D** you

Now, I **D** know you're workin' every day just as hard as **G** I do
And if I **D** didn't think that I might've loved you, I wouldn't have said, **A** "I do"
And there's **1/2G** only 2 things in the **1/2D** world that I need to get **Bm** close to
And that's a big ole **G** brew and little ole **D** you

Well, I **G** got both ends meetin' in the middle but I | can't seem to get 'em tied
D I don't care, long as I know **1/2D** you'll be by my **A** side

1/2A Well, I **G** got both ends meetin' in the middle but I | can't seem to get 'em tied
D I don't care, long as I know **1/2D** you'll be by my **A** side

Well, I **D** ain't gonna work this hard every day of my **G** lifetime
D One of these days, everything that I want **A** gonna be mine
But if it **1/2G** ain't that'll be all **1/2D** right as long as there's **Bm** sunshine
And a big ole **G** brew and little ole **D** you
I'll take a big ole **G** brew, I'll take a little ol' **D** you
