Now the [G] Camptown ladies they | sing this song ([D7] *doo dah,* | *doo da*)
They say the [G] Camptown racetrack | five miles long ([D7] *oh, doo da* [G] *day*)
I've come | down here to see the | horses run ([D7] *doo dah,* | *doo da*)
And if I [G] don't make money I'll | have some fun ([D] *oh, doo da* [G] *day*)

Because we're [G] gonna twist all | night
We're [C] gonna twist all [G] day
If I | don't make money I'll | have some fun
[D] Twistin' the night a[G]way

Now the [G] longtailed filly and the | big black horse ([D7] *doo dah,* | *doo da*)
They [G] tried too take a shortcut and | couldn't get across ([D7] *oh, doo da* [G] *day*)
The | black horse stick in a | big muddy hole ([D7] *doo dah,* | *doo da*)
And the [G] filly wound up around a | ten foot pole ([D7] *oh, doo da* [G] *day*)

I don't care we're [G] gonna twist all | night
[C] Gonna twist all [G] day
If I | don't make some money I'll | have some fun
[D7] Twistin' the night a[G]way

You oughta [G] seem them fly on the | ten mile heat ([D7] *doo dah,* | *doo da*)
They go [G] round the racetrack and | then repeat ([D] *oh, doo da* [G] *day*)
Now I | win my money on the | bobtailed nag ([D7] *doo dah,* | *doo da*)
I'm gonna [G] keep my money in an | old shoe bag ([D] *oh, doo da* [G] *day*)

Yes, and now we're [G] gonna twist all | night
[C] Gonna twist all [G] day
Since I | done won this money gonna | have some fun
[D7] Twistin' the night a[G]way

I said we're [G] gonna twist all | night
[C] Gonna twist all [G] day
Since I | done won this money gonna | have some fun
[D] Twistin' the night a[G]way
[D] Twistin' the night a[G↓]way
