[F] Cherish is the word I [Gm] use to describe [Eb6] [Gm]
All the [F] feeling that I have hiding [Gm] here for you inside [Eb6] [Gm]
You don't know [Am7] how many times I've wished that I had [Bb] told you
You don't know [Am7] how many times I've wished that I could [Bb] hold you
You don't know [Am7] how many times I've wished that I could
[Bb] Mold you into someone who could | cherish me as much as | I, cherish [C] you |

[F] Perish is the word that [Gm] more than applies [Eb6] [Gm]
To the [F] hope in my heart each [Gm] time I realize [Eb6] [Gm]
That I am [Am7] not gonna be the one to share your [Bb] dreams
That I am [Am7] not gonna be the one to share your [Bb] schemes
That I am [Am7] not gonna be the one to share what
[Bb] Seems to be the life that you could | cherish as much as | I do [C] yours |

Oh, I'm [Gm] beginning to think that [C] man has never found
The [Am7] words that could make you want [E7] me
That have the [C] right amount of letters, [F↓↓↓] just the right [Dm↓] sound
That could [Bb] make you hear, [Gm] make you see
That you are [Eb6] drivin' me out of my [C] mind [C↓↓↓]

Oh, I could say I [F] need you, but then you'd [C] realize
That I [Cm] want you just like a [D7] thousand other guys
Who'd say they [Bb] loved you, with all the [C] rest of their lies
When all they [½Dm] wanted was to [Bb] touch your face, your hands
And [½Eb6] gaze into your [C] eyes | [D7] [D7↓↓↓]

[G] Cherish is the word I [C] use to describe [Bb] [C]
All the [G] feeling that I have hiding [C] here for you inside [Bb] [C]
You don't know [Bm7] how many times I've wished that I had [C] told you
You don't know [Bm7] how many times I've wished that I could [C] hold you
You don't know [Bm7] how many times I've wished that I could
[C] Mold you into someone who could [F] cherish me as much as | I, cherish [D] you
[D↓↓↓]

[G↓] And [C↓] I [D] do, [½D] [G↓] che[C↓]rish [D] you [½D]
[G↓] And [C↓] I [D] do, [½D] [G↓] che[C↓]rish [D] you [D↓↓↓]
