Daddy Dewdrop

F |

F Last night I had a | crazy dream, about a | chick in a black bi | kini
Oh, she | looked so good she | couldn't be real
She **G** must be a magic **C↓↓↓** genie
But she **F** disappeared around the | corner
All I | saw were three doors and the | top of her bikini
I | made it through the first door, there was a | party going on
I **G** asked about the chick but what they **C↓↓↓** said was freaky

Chorus

Chick-a-**F**boom, chick-a-boom, | don't ya jes' love it?
Chick-a-**C**boom, chick-a-boom, don't **F** you jes' love it?
Chick-a- | boom, chick-a-boom, **Bb** don't ya jes' love it?
Chick-a-**C**boom, chick-a-boom-boom-**F↓**boom

I **F** found the bottom half be | hind the second door, | which took me to Africa, | I
presume
This | really far out cat was | screamin' half crazy
G Bomp bomp a looma a-**C↓↓↓** lomp bomp boo
I **F** said, "Hey man, | cut that jive, and | tell me where the chick | went"
But he | looked at me, as | pleased as could be
And **G** said these words but I **C↓↓↓** wonder what he meant?

Repeat Chorus

F Aaaah, | don't ya jes' love it, **C** mmm, **F** don't ya jes' love it?
Don't ya | love it, don't ya love it?
Oh **Bb** yeah, don't ya love it, **C** **F** don't ya jes' love it, now?

I **F** opened the third door and | there she was, and | she whispered so sexy, "HeI- | lo"
I | tried to do the same and im | press her with my style
But **G** why I said this, I'll **C↓↓↓** never know

Repeat Chorus

Chick-a-**F**boom, chick-a-boom, | don't ya jes' love it?
Chick-a-**C**boom, chick-a-boom, don't **F** you jes' love it?
Chick-a- | boom, chick-a-boom, **Bb** don't ya jes' love it?
Chick-a-**C**boom, chick-a-boom-boom-**F**boom

Repeat Chorus
