Tessa Violet

C I can't focus on what **Em** needs to get done
Am I'm on notice, hopin' **F** that you don't run
C You think I'm tepid but I'm **Em** misdiagnosed
Am 'Cause I'm a stalker, I've seen **F** all of your posts
Aa-**C**ah

And I'm just **Em** tryna play it cool no-**Am**ow
But that's not **F** what I wanna do no-**C**ow
And I'm not **Em** tryna be with you now, **Am** you now **F**

C You make it difficult to **Em** not overthink
Am And when I'm with you I turn **F** all shades of pink
C I wanna touch you but don't **Em** wanna be weird
Am It's such a rush, I'm thinkin' **F** wish you were here
Aa-**C**ah

And I'm just **Em** tryna play it cool no-**Am**ow
But that's not **F** what I wanna do no-**C**ow
