Tones & I

Em C D Bm: DDDDDD--

They say, **Em** "Oh, my god I see the way you **C** shine
Take your **D** hand, my dear, and place them both in **Bm** mine"
You know you **Em** stopped me dead when I was passin' **C** by
And now I **D↓** beg to see you dance just one more **Bm↓** time

Oh, I **Em** see you, see you, see you every **C** time
And oh, my **D** I, I, I, I like your **Bm** style
You, you **Em** make me, make me, make me wanna **C** try
And now I **D** beg to see you dance just one more **Bm↓** time

So I say, **Em** "Dance for me, dance for me, dance for me, oh, oh, **C** oh
I've never **D** seen anybody do the things you do be **Bm** fore"
They say, **Em** "Move for me, move for me, move for me, ay, ay, **C** ay
And when you're **D** done I'll make you do it all a **Bm** gain"

I said, **Em** "Oh, my god I see you walkin' **C** by
Take my **D** hands, my dear, and look me in my **Bm** eyes"
Just like a **Em** monkey I've been dancin' my whole **C** life
And you just **D↓** beg to see me dance just one more **Bm↓** time

Oh, I **Em** see you, see you, see you every **C** time
And oh, my **D** I, I, I, I like your **Bm** style
You, you **Em** make me, make me, make me wanna **C** try
And now I **D** beg to see you dance just one more **Bm↓** time

So I say, **Em** "Dance for me, dance for me, dance for me, oh, oh, **C** oh
I've never **D** seen anybody do the things you do be **Bm** fore"

They say, **Em** "Move for me, move for me, move for me, ay, ay, **C** ay
And when you're **D** done I'll make you do it all a **Bm** gain"

They say, **Em** "Dance for me, dance for me, dance for me, oh, oh, **C** oh
I've never **D** seen anybody do the things you do be **Bm** fore"

They say, **Em** "Move for me, move for me, move for me, ay, ay, **C** ay
And when you're **D** done I'll make you do it all a **Bm** gain"
