Everybody Gets A Kitten

Jeremy Messersmith

[F] [B♭] [F] [B♭]

[F] Gotta say the future's [B♭] awesome
[F] Everything is a-o[B♭]kay
[F] All the work is done by [B♭] robots
[F] Every day is Satur[B♭]day
[F] Future people all have [B♭] jetpacks
[F] Fly around in flying [B♭] cars
[F] There's so much that I could [B♭] tell you
But the [C] coolest part by [C7↓] far...

[F] Everybody gets a [B♭] kitten
[F] A new one every single [B♭] day
[F] Everybody gets a [B♭] kitten
You can [C] name if you want [C7↓]
Or you can give it a[F]way [B♭] [F] [B♭]

[F] There is no disease or [B♭] hunger
[F] Zero poverty or [B♭] war
[F] Life is just a giant [B♭] party
And [F] no one here is ever [B♭] bored
[F] All the factories burn [B♭] rainbows
[F] You can buy a house on [B♭] Mars
[F] There's so much that I could [B♭] tell you
But the [C] coolest part by [C7↓] far...

[F] Everybody gets a [B♭] kitten
[F] A new one every single [B♭] day
[F] Everybody gets a [B♭] kitten
You can [C] name if you want, [C7] or not!

[F] Everybody gets a [B♭] kitten
[F] A new one every single [B♭] day
[F] Everybody gets a [B♭] kitten
You can [C] name if you want [C7↓]
Or you can give it a[F↓]way
