Get A Haircut

George Thorogood

- I was a rebel from the day I left school
 I grew my hair long and broke all the rules
 I'd sit and listen to my records all day
 With big ambitions of where I could play
- My parents taught me what I life is about
 So I grew up the type they warned me about
 They said my friends were just an unruly mob
 And I should pet a haircut and get a real job
- Get a haircut and get a real job

 Clean your act up and don't be a slob

 Get it together like your big brother Bob

 Why don't you get a haircut and get a real job
- I even tried that I nine to five scene
 I told myself that it was I all a bad dream
 I found a band and some I good songs to play
 Now I party all night and I sleep all day
