

Girls On Film

Duran Duran

Am D Am D

Am See them walking hand in D hand, across the bridge at Am midnight D

Am Heads turning as the D lights flashing out are so Am bright D

Then Am walk right out to the fourline track

There's a D camera rolling on her back, Am on her D back

And I Am sense the rhythm humming in a D frenzy all the way down her Am spine

D Am D Am D

Am Lipstick cherry all D over the lens as she's Am falling D

In Am miles of sharp blue D water coming in where she Am lies D

The Am diving man's coming up for air cause the D crowd all love pulling dolly by the

Am hair, by the D hair

And she Am wonders how she ever got D here as she goes under a Am gain D D↓

D Am D Am D

Am Wider baby D smiling you just made a Am million D

Am Fuses pumping live D heat twisting out on a Am wire D

Take Am one last glimpse into the night, I'm D touching close, I'm holding bright,

Am holding D tight

Give me Am shudders in a whisper take me D up till I'm shooting a Am star D
