

# I Like Trains

Fred Eaglesmith

**Am** **E7** | **1/2 E7** **Am**

**Am** Sixteen miles from Arkadelphia **E7** right near the Texas border  
| Traffic was stopped at a railway crossing I **1/2 E7** took it to the **Am** shoulder  
I | stoked the kettle I put it to the metal I **F** shook the gravel loose  
I **E7** missed the train but I was happy with a **E7↓** glimpse of the ca **1/2 Am** boose

## Chorus

Cause I like **Am** trains, I like **F** fast trains  
I like **E7** trains that call out through the **Am** rain  
I like | trains, I like **F** sad trains  
I like **E7** trains, that whisper your **Am** name

**Am** I was born on a greyhound bus **E7** my momma was a diesel engine  
They | tried to put me behind the wheel **1/2 E7** but I wouldn't **Am** let them  
You | should have seen the look in their eyes and **F** how it turned to tears  
**E7** When I finally told them I **E7↓** wanna be an Engi **1/2 Am** neer

## Repeat Chorus

Now you **F** think I've got someone new but **G** darlin' that ain't true  
**F** I could never love another **E7↓** woman besides you  
**Am** It's not some dewy-eyed darlin', darlin' **F** that's gonna drive you insane  
**E7** But anymore I'd be listenin' for the **E7↓** sound of a big ol' **1/2 Am** train

## Repeat Chorus

I like **E7** trains, that whisper, **1/2 E7** **E7↓** whisper your **Am** name | **Am↓**
