Hello [G] neighbour
| I been meanin' to [C] talk to you

| It's somethin' I [D] gotta do
| I been livin' with a [G] secret
| Been keepin' me [C] awake
| There's just [G] somethin' [D] I gotta [G] say [G↓]

I shot your [C] dog
| He was on my [G] property
| I thought he was a [D] coyote | on the [G] run
| I been missin' some [C] chickens
| So I pulled the [G] trigger
| I feel so [D] bad | 'bout what I [G] done [G↓]

You don't have to say [G] nothin'
| I can tell how you [C] feel
| I'd feel the [G] same | if it was [D] me
| I'm awfully [G] sorry
| If I could make it [C] up to you | in any ol' [G] way
[D] Tell me what to [G] do [G↓]
