Well, **G** baby use to stay out, | all night long
She | made me cry, she | done me wrong
She | hurt my eyes open, | that's no lie
| Tables turnin', now it's | her turn to cry

Because I **D** used to love her, **C** but it's all over **G** now | *x2*

Well, she **G** used to run around with | every man in town
| Spent all my money | playin' a high-class game
She | put me out, it was a | pity how I cried
The | tables turnin', now it's | her turn to cry

Because I **D** used to love her, **C** but it's all over **G** now | *x2*

Well, I **G** used to wake the morning, get my | breakfast in bed
| When I gotten worried she could | ease my achin' head
But | now she's here and there with | every man in town
In|stead of tryin' to take me for that | same old clown

Because I **D** used to love her, **C** but it's all over **G** now | *x4*

D C G | *x2*

Because I **D** used to love her, **C** but it's all over **G↓** now
