

# Jesse Got Trapped In A Coal Mine

Goodnight, Texas

Jesse got trapped in a  $\frac{1}{2}\text{C}\downarrow$  coal  $\frac{1}{2}\text{Am}\downarrow$  mine,  $\text{Am}\downarrow$  digging in the dark black  $\text{C}\downarrow$  pearl

$\text{Am}\downarrow$  Jesse got trapped in a  $\frac{1}{2}\text{C}\downarrow$  coal  $\frac{1}{2}\text{Am}\downarrow$  mine,  $\text{Em}\downarrow$  never did marry his  $\text{C}\downarrow$  girl

There  $\text{F}\downarrow$  ain't no air and there  $\text{C}\downarrow$  ain't no light

And there  $\text{C}\downarrow$  ain't no way to make it out a  $\text{G}\downarrow$  live

His  $\text{F}\downarrow$  wedding was planned for the  $\text{C}\downarrow$  fifth of July

But  $\text{Am}\downarrow$  Jesse got trapped in a  $\frac{1}{2}\text{C}\downarrow$  coal  $\frac{1}{2}\text{Am}\downarrow$  mine,  $\text{Em}\downarrow$  never did marry his  $\text{C}\downarrow$  girl

$\text{Am}$   $\text{C}$   $\text{Am}$   $\text{C}$   $\text{Am}$   $\text{C}$   $\text{Am}$   $\text{C}$

Your  $\text{Am}$  hands get black and your  $\frac{1}{2}\text{C}$  eyes get  $\frac{1}{2}\text{Am}$  burned and your  $\text{Am}$  lungs get tired and  $\text{C}$  poor

It  $\text{Am}$  draws you in like an  $\frac{1}{2}\text{C}$  opium  $\frac{1}{2}\text{Am}$  den, and  $\text{Em}$  beckons you back for  $\text{C}$  more

There  $\text{F}$  ain't no air and there  $\text{C}$  ain't no light

And there  $\text{C}$  ain't no way to make it out a  $\text{G}$  live

His  $\text{F}$  wedding was planned for the  $\text{C}$  fifth of July

But  $\text{Am}$  Jesse got trapped in a  $\frac{1}{2}\text{C}$  coal  $\frac{1}{2}\text{Am}$  mine,  $\text{Em}$  never did marry his  $\text{C}$  girl

$\text{G}$  Down down,  $\text{C}$  under West Virginia

$\text{G}$  Down down in the  $\text{C}$  pitch black Earth

$\text{F}$  Down down,  $\text{C}$  on her knees she cried  $\text{G}$  |

My  $\text{G}\downarrow$  love is somewhere  $\text{nc}$  in that mountain

$\text{Am}$   $\text{C}$   $\text{Am}$   $\text{C}$   $\text{Am}$   $\text{C}$   $\text{Am}$   $\text{C}$

$\text{F}$   $\text{C}$  |  $\text{G}$   $\text{F}$   $\text{C}$   $\text{Am}$   $\text{C}$   $\text{Am}$   $\text{C}$

$\text{Am}$  Jesse got trapped in a  $\frac{1}{2}\text{C}$  coal  $\frac{1}{2}\text{Am}$  mine,  $\text{Am}$  digging in the dark black  $\text{C}$  pearl

$\text{Am}$  Jesse got trapped in a  $\frac{1}{2}\text{C}$  coal  $\frac{1}{2}\text{Am}$  mine,  $\text{Em}$  never did marry his  $\text{C}$  girl  
She  $\text{F}$  held out hope for a  $\text{C}$  couple of months that | he was still livin' some  $\text{G}$  where

He'd  $\text{F}$  put up the strongest  $\text{C}$  kind of fight

He'd  $\text{F}$  dig himself out with the  $\text{C}$  dynamite

He'd  $\text{F}$  finally be free on the  $\text{C}$  fifth of July

But  $\text{Am}$  Jesse got trapped in a  $\frac{1}{2}\text{C}$  coal  $\frac{1}{2}\text{Am}$  mine,  $\text{Em}$  never did marry his  $\text{C}$  girl

$\text{G}$  Down down,  $\text{C}$  under West Virginia

$\text{G}$  Down down in the  $\text{C}$  pitch black Earth

$\text{F}$  Down down,  $\text{C}$  on her knees she cried  $\text{G}$  |

$\text{G}$  Down down,  $\text{C}$  deep below the surface

$\text{G}$  Down down under  $\text{C}$  Charlie Cypher's Mine

$\text{F}$  Down down,  $\text{C}$  on her knees she cried  $\text{G}$  |

My  $\text{G}\downarrow$  love is somewhere  $\text{nc}$  in that mountain

$\text{G}$  |  $\text{F}$   $\text{C}$  x3

$\text{G}$  |  $\text{F}$   $\text{C}\downarrow$
