C **F** x2

C Ooo, **F** ooo, **C** ooo **F**

Each **C** day through my window I **F** watch her as she passes **C** by **F**

I **C** say to myself, "You're **F** such a lucky **C** guy" **F**

C To have a girl like **F** her is truly **C** a dream come true **F**

Out of **C** all of the fellas in the **F** world she belongs **C** to you **F**

But it was **C** just my imagination **F** **C** runnin' away with me **F**

It was **C** just my imagina**F**tion runnin' a **C**way with me, **F** ooh-hoo-hoo-hoo

C Soon we'll be **F** married and raise a **C** family (oh, **F** yeah)

In a **C** cozy, little home **F** out in the country with two **C** children, maybe three **F**

I tell you, **C** I **F** can visua**C**lize it all **F**

This **C** couldn't be a dream **F** for too real it all **C** seems **F**

But it was **C** just my imagination **F** once again **C** runnin' away with me **F**

Telling me it was **C** just my imagina**F**tion runnin' a **C**↓way with me, **nc**

C Every night, on my **|** knees I pray, **|** "Dear Lord, **F** hear my plea

C Don't ever let another **F** take her love from me or I will **G** surely die" **|**

Ooh, her love is **C** heavenly, **|** when her arms enfold me,

F I hear a tender rhapso**C**dy but in re**F**ality, she **C** doesn't even know me

It was **C** just my imagination **F** once again **C** runnin' away with me **F**

Telling me it was **C** just my imagina**F**tion runnin' a **C**way with me, **F**

It was **C** just my imagination **F** once again **C** runnin' away with me **F**

Telling me it was **C** just my imagina**F**tion runnin' a **C**↓way with me
