

Last Friday Night (T.G.I.F.)

Katy Perry

C **Am** **Em7** **D**

There's a **C** stranger in my bed, there's a **Am** pounding in my head
Glitter **Em7** all over the room, pink **D** flamingos in the pool
I smell **C** like a mini-bar, DJ's **Am** passed out in the yard
Barbie's **Em7** on the barbeque, this a **D** hickey or a bruise

Pictures **C** of last night ended **Am** up online
I'm **Em7** screwed. Oh, **D** well
It's a **C** blacked out blur but I'm **Am** pretty sure it **Em7** ruled
Damn **D**

Chorus

Last Friday **C** night
Yeah, we danced on table **Am** tops and we took too many **Em7** shots
Think we kissed but I for **D** got
Last Friday **C** night
Yeah, we maxed our credit **Am** cards and got kicked out of the **Em7** bar
So we hit the boule **D** vard
Last Friday **C** night
We went streaking in the **Am** park, skinny dipping in the **Em7** dark
Then had a ménage à **D** trois
Last Friday **C** night
Yeah, I think we broke the **Am** law, always say we're gonna **Em7** stop
Oh-woah-oh **D**

This Friday **C** night, do it **Am** all a **Em7** gain **D**
This Friday **C** night, do it **Am** all a **Em7** gain **D**

Trying **C** to connect the dots, don't know **Am** what to tell my boss
Think the **Em7** city towed my car, chandelier **D** is on the floor
Ripped my **C** favorite party dress, warrant's **Am** out for my arrest
Think I **Em7** need a ginger ale, that was **D** such an epic fail

Pictures **C** of last night winded **Am** up online
I'm **Em7** screwed. Oh, **D** well
It's a **C** blacked out blur but I'm **Am** pretty sure it **Em7** ruled
Damn **D**

Repeat Chorus

This Friday **C** night, do it **Am** all a **Em7** gain **D**
This Friday **C** night, do it **Am** all a **Em7** gain **D**
This Friday **C↓** night **nc**
