

Missing You

John Waite

F | **Bb** **Csus4** x2

F Every time I think of you, | I **Bb** always catch my breath **Csus4**

And I'm still **F** standin' here, and you're | miles away

And I'm **Bb** wonderin' why you left **Csus4**

And there's a **Dm** storm that's ragin' | through my **Bb** frozen heart tonight **Csus4**

I hear your **F** name in certain | circles, and it **Bb** always makes me smile **Csus4**

I spend my **F** time thinkin' a|bout you, and it's **Bb** almost drivin' me **Csus4** wild

And there's a **Dm** heart that's breaking | down this **Bb** long distance line tonight

Csus4

I ain't missin' you at **F** all | since you've been **Bb** gone a **Csus4** way

I ain't missin' you, **F** | no matter **Bb** what I might **Csus4** say

There's a **F** message in the | wire, and I'm sending **Bb** you this signal tonight

Csus4

You don't **F** know how desperate | I've become and it **Bb** looks like I'm losin' this

Csus4 fight

In your **F** world I have no | meaning, though I'm **Bb** trying hard to

under **Csus4** stand

Dm And it's my heart | that's breakin' **Bb** down this long distance line

to **Csus4** night

I ain't missin' you at **F** all | since you've been **Bb** gone a **Csus4** way

I ain't missin' you, **F** | no matter **Bb** what my friend's **Csus4** say

Dm And there's a message | that I'm sendin' out, **Bb** like a telegraph to your

Csus4 soul

Dm And if I can't bridge this | distance, stop this **Bb** heartbreak over **Csus4** load

I ain't missin' you at **F** all | since you've been **Bb** gone a **Csus4** way

I ain't missin' you, **F** | no matter **Bb** what my friend's **Csus4** say

I ain't missing **F** you, | I ain't missing you, **Bb** I can **Csus4** lie to myself

Dm And there's a storm that's | ragin' through my **Bb** frozen heart to **Csus4** night

I ain't missing you at **F** all | since you've been **Bb** gone a **Csus4** way

I ain't missing you, **F** | no matter **Bb** what my friend's **Csus4** say
