

Moonshiners

Goodnight, Texas

Where were **Dm** you when the saw mill | burned?
I was out **Am** fighting with my grandpa's **Dm** gun
They can **Gm** follow me as best they **Dm** can
But I can run **Am** quicker when there is no | sun

Shine **Dm** on, | shine **Am** on |
Shine **Dm** on, | shine **Am** on |

Yeah, the **Dm** government of this | state
Ain't the only **Am** way that the sheriff gets **Dm** paid
You can **Gm** try to hide who you **Dm** are
But they'll see **Am** straight through your cha | rade

Shine **Dm** on, | shine **Am** on |
Shine **Dm** on, | shine **Am** on **C**

Where do the **Dm** hound dogs | eat
When the **Am** people are **A** frail?
Where does the **Dm** smoke from your lungs | go
Am Once **Am** you **Am** ex **A** hale?
What do the **Gm** cockroaches | do
With **Dm** no one **A** 'round?
They live like the **Gm** moonshiners |
Dm Half **Dm** un **Dm** der **A** ground

Yes, it was **Gm** me that burned it **Dm** down
To confound **A** everyone and make it well **A** known
That after **Gm** thirty-three years of **Dm** this
I've got a **A** government of my **A** own **A**

Shine **Dm** on, | shine **Am** on |
Shine **Dm** on, | shine **Am** on **C**

Where do the **Dm** hound dogs | eat
When the **Am** people are **A** frail?
Where does the **Dm** smoke from your lungs | go
Am Once **Am** you **Am** ex **A** hale?
What do the **Gm** cockroaches | do
With **Dm** no one **A** 'round?
They live like the **Gm** moonshiners |
Dm Half **Dm** un **Dm** der **A** ground
