Sure Gonna Miss Her

Gary Lewis & The Playboys

[D] |

I [D] never did too | much to make her | stay here |
And | words of love to | her I'd never [Em] say [A]
I [G] guess I learned a [A] lesson when she [D] walked out to [B7] stay
But I'm, [G] sure gonna [A] miss her, [D] sure gonna [B7] miss her
[G] I'm sure gonna [A] miss her every [D] day | | |

I [D] don't suppose I | ever said, "I | love you" |
And | I found out too | late that wasn't [Em] right [A]
I'm [G] just now rea[A]lizin', what I [D] lost, that's why I'm [B7] cryin'
And I'm [Em] sure gonna [A] miss her, [D] sure gonna [B7] miss her
[G] I'm sure gonna [A] miss her, every [D] night |

[E♭] I know I | took her love for [D] granted |
[E♭] Guess you could | say my love was [D] blind |
[E♭] Thought if she | left that I could [D] stand it [B7]
[E7] Or else, it didn't | matter at the [A] time [A7]

I [D] heard she's found a | guy that treats her | better |
I | hope he knows that | he's a lucky [Em] guy [A]
I [G] know the rumour's [A] true because I [D] saw her to[B7]day
And I'm [Em] sure gonna [A] miss her, [D] he was walkin' [B7] with her
[G] I'm sure gonna [A] miss her, yes, I [D] am | | | [D↓]
