Take This Job And Shove It

Johnny Paycheck

Chorus

Take this job and [nc] shove it, I ain't [B♭] workin' here no [F] more
| Woman done left and [Dm] took all the reasons [G] I was workin' [C] for
[F] You better not to try to | stand in my way as I'm a-[B♭]walkin' out the [F] door
[B♭] Take this job and [F] shove it I ain't [C] workin' here no [F↓] more [nc]

[F] I've been workin' | in this factory for [B♭] nigh on fifteen [F] years
[B♭] All this time I [F] watched my woman [C] drownin' in a pool of | tears
And [F] I've seen a lot of | good folk die who [B♭] had a lot of bills to [F] pay
[B♭] I'd give the shirt right [F] off of my back if [C] I had the guts to [F↓] say [nc]

Repeat Chorus

Well, that [F] foreman he's a | regular dog the [B♭] line boss he's a [F] fool
[B♭] Got a brand new [F] flattop haircut, [C] Lord he thinks he's | cool
[F] One of these days I'm gonna | blow my top and that [B♭] sucker he's gonna [F] pay
[B♭] Lord I can't wait to [F] see their faces when I [C] get the nerve to [F↓] say [nc]

Take this job and [nc] shove it, I ain't [B♭] workin' here no [F] more
| Woman done left and [Dm] took all the reasons [G] I was workin' [C] for
[F] You better not to try to | stand in my way as I'm a-[B♭]walkin' out the [F] door
[B♭] Take this job and [F] shove it I ain't [C] workin' here no [F] more

[F] Take this job and | shove it, I ain't [C] workin' here no [F↓] more
