Wishing Well

Terrence Trent D'Arby

A Kissing like a bandit, stealing time
G Underneath, a sycamore tree
A Cupid by the hour sends valentines
G To my sweet, lover and me

A Slowly, but surely
G Your appetite, is more than I knew
A Sweetly, softly
G I'm falling, in love with you

Chorus

A Wish me love, a wishing well to kiss and tell
G A wishing well, of butterfly tears
A Wish me love, a wishing well to kiss and tell
G A wishing well, of crocodile cheers

A G A G

A Hugging like a monkey see, monkey do
G Right beside, a riverboat gambler
A Erotic images float through my head
G Say you wanna be, a midnight rambler

A Quickly, but quickly
G The blood races, through my veins
A Quickly, loudly
G I wanna hear, those sugar bells ring

Repeat Chorus

Get up! A G On the beat now, uh A G

Repeat Chorus

A G A G A↓
